OUR LOVELY PLATTERS

We platter up on reusable plastic platters as they are light, easy to use, fit in most fridges, the lids seal so no need for gladwrap, they look attractive and are generally the best product we can find on the market today. Platters are \$5 each including tray and lid. They will be listed as a separate item charge so you can return them to us for \$4 cash refund if in perfect condition within 14 days. Conditions apply.
